INDEPENDENT WEB

|             |                   |
|-------------|-------------------|
| host_891825 | 88 cites · 2 runs |
| host_edbd5f | 88 cites · 2 runs |
| host_072be6 | 58 cites · 2 runs |
| host_854c27 | 54 cites · 2 runs |
| host_9e2bba | 53 cites · 2 runs |

Observed, not prescriptive. This is what AI answer engines did cite across the matched cohort. "independent web" lumps publications, blogs, and vendor pages honestly because they are not separable by hostname. Hosts surface only when present in two or more runs. No customer-specific data appears in this aggregate.
